## EXCLUSIVE INTERVIEW

## A New Year Message from our General Manager

"2019 has been a year of great progress at the hotel as we commenced our room renovation program. So far 143 rooms and suites have been beautifully updated, and we were proud to announce two brand new room categories - "Deluxe Classic" and "Grand Deluxe". These are setting new levels in comfortable luxury, all tastefully decorated in calming, modern decor and all designed for the modern age with "finger-tip" functionality, automated lighting and environmentally-friendly filtered drinking water dispensers to replace plastic bottles.

In 2020, the program will continue apace, with a further 173 rooms scheduled for renovation over the next 9 months.

2019 has also been a year of great Awards success, and we were delighted to be accredited as "2019 Luxury City Hotel, Thailand" at the The World Luxury Hotel Awards and "Best Prime Location Hotel in Asia", "Best Activity Hotel in Thailand" and "Best Destination Hotel in Thailand" at the annual Haute Grandeur Global Hotel Awards. Voted for by hotel guests and members of the travel industry, they are a

true recognition of the behind the scenes efforts of our dedicated staff - my heartfelt thanks to each and everyone of them!

**"We are all looking forward to a busy and bright 2020, and I would like to pass on our best wishes to you all for a healthy, happy, peaceful and prosperous New Year."**

Warmest regards,  
Stefan Heintze
