GM MESSAGE

# Moving Forward

...Better Than Ever!

Thailand is slowly but surely emerging from the COVID-19 crisis, and it is a credit to both government agencies and to the people of this nation that there has been so few infections over the past few months. Here at the hotel, we re-opened our doors on 18<sup>th</sup> July, along with most of our dining outlets and our health and fitness facilities.

**"New normal"** operating procedures have been strictly implemented to ensure guests can have total confidence in receiving the best possible service.

With international travel currently restricted, this is a wonderful time to be visiting Bangkok, and you will find in these pages some spectacular accommodation and dining promotions that make a stay here even more attractive!

Our convenient city-center location is second to none, the ideal place from which to explore all that Bangkok has to offer.

We hope to see you back again soon, and look forward to welcoming you with genuine Thai smiles and exceptional service.

*Thank you, and warmest regards,*

# An Alliance for the Community

Although our restaurants were closed over the summer months due to the COVID-19 outbreak, our hard working culinary team continued to work as we teamed up with Mercedes-Benz to prepare and make twice-weekly deliveries of meal boxes to the internationally renowned Rajpracha Samasai Institute in the Prapradaeng district of Samut Prakan province.

Pictured (left to right) are Mr. Bjoern Joachim Gustrau, Vice President Sales & Marketing, Mercedes-Benz (Thailand) Ltd., Ms. Arthom Vanasantakul, MD of MBK-HT and the hotel's General Manager, Mr. Stefan Heintze.
