

FESTIVE FUN!

# Christmas

IS COMING... **"Hi-T"**

t@Lobby has long been renowned for its traditional afternoon high tea. And now, in December, our friendly bakery is celebrating the festive season with "Hi-T", an indulgence in chocolate, with a chocolate fountain, chip cookies and fondue, as well as Live Stations (honey ham with pineapple salsa; Waffles), a selection of sandwiches and canapés and some truly delicious cakes.
